

Omniscient - God knows everything

And no creature is hidden from his sight,
but all are naked and exposed to the eyes
of him to whom we must give account.

- Hebrews 4:13

Omniscient - God knows everything

And no creature is hidden from his sight, but all are naked and exposed to the eyes of him to whom we must give account.

- Hebrews 4:13

Have you ever tried to hide from someone? What is your favorite hiding place?

Do you remember the story of Adam and Eve? They tried to hide from God after they sinned in the garden. Why do you think they did that? Did God know where Adam and Eve were hiding? Did God know what they had done? Have you ever done something you didn't want anyone to know about? Do you ever try to hide from God?

The Bible tells us that God sees everything we do. He hears everything we say or even think. How can this help us when we are tempted to do what is wrong? Have you ever thought to yourself, "I know this is wrong, but no one is looking and no one will ever know what I did." Is that true? What does Hebrews 4:13 say about that thought?

This verse tells us that one day we will have to give an account for everything we've done wrong. But the Bible also says that God will forgive us for our sins when we ask to be forgiven. That's why Jesus came, to take the punishment we deserved for our sins and to make us right with God. Jesus does this for all who turn away from their sin and trust in him.
