

Omnipresent - God is everywhere all the time

Can a man hide himself in secret places so that I cannot see him? declares the LORD. Do I not fill heaven and earth? declares the LORD.

- Jeremiah 23:24

Omnipresent - God is everywhere all the time

**Can a man hide himself in secret places so that I cannot see him?
declares the LORD. Do I not fill heaven and earth? declares the LORD.**

- Jeremiah 23:24

Where is your mother? Is she in this room? How do you know? You usually know if your mother is present because you can see or hear her. People have bodies that can be seen or heard. Where is God? Is God in this room? We can't see or hear God. Does that mean He isn't here? What does the Bible say? (See Psalm 139:8-12)

- *If you go up to the heavens, far, far away, God would be there*
- *If you went deep into a cave or ocean, God would be there.*
- *If you went out across the sunrise, God would be there.*
- *If you went all the way across the ocean, God would be there.*
- *If you were to hide in total darkness, God would be there, too.*

The Bible tells us that God is not like us. He is not limited by time and space. God is able to be fully present everywhere all the time. In fact, God has promised to be with us all the time wherever we go (See Matthew 28:20).

How does knowing this about God help you when you're alone or scared?
