to save sinners. - 1 Timothy 1:15**

Trust in Jesus

Christ Jesus came into the world to save sinners. - 1 Timothy 1:15

Sometimes Dads and Moms have to save their children from falling down the stairs or from running out into the street after a ball. They *save us from danger*. The Bible says God sent his only Son, Christ Jesus, to the earth to save us from the greatest danger of all; the punishment we deserve because of our sin.

What is sin?

- ☆ Sin is anything we say, do or think that displeases God or breaks one of his good commandments. Have you ever sinned? How have you sinned?

What do we deserve because of our sin?

- ☆ The Bible says the punishment for sin is death and separation from God forever (Romans 6:23). God made us to be like him, and he is just and right to punish us when we do not obey.

Why can Jesus save us?

- ☆ Because he is God, Jesus has the power to save us. He is *Christ Jesus*, which means he is God's special servant for salvation.

How can we be saved?

- ☆ Jesus promises to save all those who trust in him. When we trust in Jesus we become part of God's family! And when we join God's family, God our heavenly Father promises us life forever in heaven. We may die here on earth, but if we trust Jesus to save us we will never be separated from our loving God.
