Imagine it is nighttime during a storm. The heavy rain falling hard against the roof, the crashing lightning bolting down from the sky and the booming thunder outside may make you feel scared, lonely, and little. Now imagine having your mom or dad with you. Isn't it great to know that they are with you to help you during a scary time?

As great as it is to have your parents with you, there is someone even better! This verse tells you that God will always be with you! No matter where you are or what is going on, God will be by your side. He promises to never leave those who believe in Him, even if they are afraid or lonely.

It is very special to have God with you! He is a loving God who cares deeply about you. God is also the source of all wisdom - he knows exactly how to do everything the best. After all, he created you and the whole universe. These are just a few reasons why God is wonderful. The God that helps you and takes care of you when you feel scared is powerful, loving and wise, unlike anyone or anything else in the world.
