Treasure God's Word

Your word is a lamp to my feet and a light to my path. - Psalm 119:105

Have you ever been lost in the dark? It's hard to know which way to go because you can't see anything. If you're not careful, you might run into the wall or trip over something on the floor. You need a flashlight to show you what's in front of you and to help you find the way.

This verse tells us that the Bible is like a flashlight. The Bible guides us and shows us the best way to live. It also protects us from sin.

☆ What is sin?

Sin is thinking or saying or doing anything that displeases God or breaks his commands.
Sin makes God sad. Sin also hurts others, and it hurts us too.

☆ How can the Bible help protect us from sin?

In the Bible, God tells us his commands, the things we must do (or not do) in order to please him.
One of the best ways to know what pleases God is to memorize Bible verses.
Knowing what pleases God, and then doing it, keeps us from sin.

☆ What are some things we can do that please God?

We can love God and believe in his Son, Jesus. We can love others by being kind to them.
We can obey our parents.

☆ Is it easy to do these things?

No! We usually want to please ourselves more than we want to please God.
But if we pray and ask God to help us, he will give us the strength to obey.
