to receive glory and honor and power, for you
created all things, and by your will they existed

Worthy - God deserves all love, obedience, honor, and praise

"Worthy are you, our Lord and God, to receive glory and honor and power, for you created all things, and by your will they existed and were created." - Revelation 4:11

Think about this question for a moment. Of all the things you have at home, what is the one thing you treasure the most? Maybe you have a favorite stuffed animal or toy. Maybe you have a pet that you really love a lot. Or maybe you even thought of your mom and dad.

God's word, the Bible, tells us about the greatest treasure of all: God himself! Although we enjoy having many good things on earth, and there are many people we love who are dear to us, only God is worthy of our worship and praise.

This verse reminds us that God is worthy of our praise because he is the Creator. He made us. In fact, he made everyone and everything. As you look at the world around you, it's amazing to think about God's power and creativity, his wisdom and his might.

What are some ways we can worship God as the one who is worthy?

- We can sing songs of praise to God
- We can show God we love him by joyfully obeying his word
- We can pray to God and praise him for world he has created
- We can serve him with gladness as we serve others in his name
