

Nothing Can Separate You From God's Love

For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.- Romans 8:38-39

Nothing Can Separate You From God's Love

For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.- Romans 8:38-39

Have you ever heard of Super Glue? This glue is so strong that once two things are glued together you can't get them apart. They are permanently attached to one another. You can't separate one piece from the other no matter what you do. You can pull and tug with all your might, but they won't come apart.

God's love is like Super Glue. If you are trusting in Jesus, God loves you with a permanent, never-failing, everlasting kind of love. God's love for you is perfect. It doesn't grow weak or fade away or give up. God's love is steadfast. It's rock solid. It never changes no matter what. *Can anything separate you from God's love? No, nothing!* God's love for you is more powerful than kings, rulers, angels, or anything else in the whole world. Not even death can separate you from God's love. God's love sticks like glue. How can this promise help you?

Sometimes you might be tempted to doubt God's love. But what's true in each of these situations?

- ☆ Something bad happens to you. You get sick or hurt. Has God forgotten you?
- ☆ You feel sad and lonely. Even your parents are upset with you. Does anyone care about you?
- ☆ You do something you know is sinful. Sure, you asked for forgiveness, but isn't God still mad at you?

We haven't done anything to deserve God's love. He loves us because, in his kindness and mercy, he has chosen to love us. Let's praise and thank God for his steadfast love.
